

An aerial photograph of a city, likely Pittsburgh, showing a wide river (the Allegheny River) flowing through the center. In the foreground, there are several large, classical-style university buildings with green roofs and red brick facades. The city skyline with various skyscrapers is visible in the background under a clear sky.

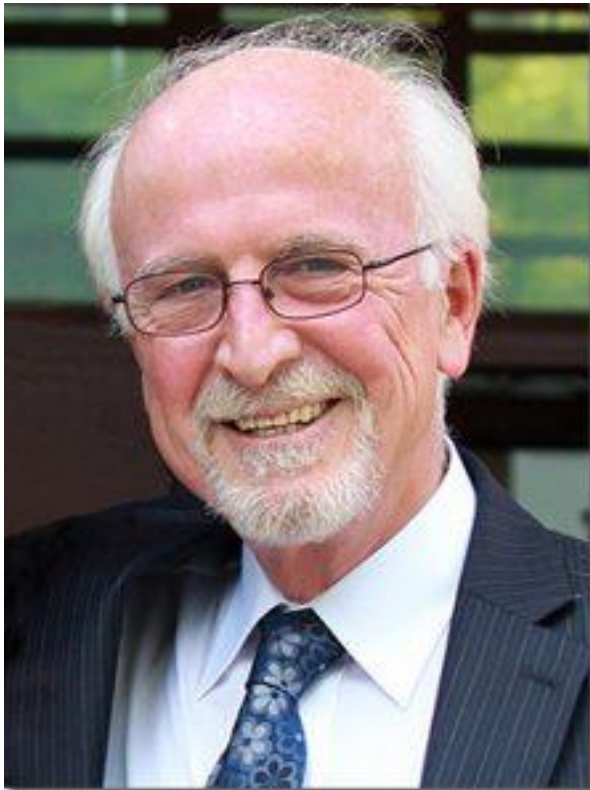

# Welcome and Introductions

**Paula T. Hammond**  
**Richard D. Braatz**

# Welcome and Introduction

- A Few Words About Safety
- Welcome to [2040 Visions of Process Systems Engineering](#)

A Symposium on the Future of Product Design, Complex Systems, Mathematical Modelling, Process Modeling, Micro Chemical Processes, Process Operations, Distributed Decisions, Process Optimization, Artificial Intelligence, Internet-of-Things, Decision-making, Biology, Healthcare, Medicine, Advanced Manufacturing, Asset Optimization, Climate Change, Ecotopia, ...

**Thank You, George!**
